

WELCOME TO MURDOCK CHRISTIAN CHURCH

July 30, 2023

Worship with us! You are encouraged to participate in worship today. Remember that God is the audience and we are the participants. The worship service is designed to help you to do just that—worship. So sing! Meditate! Pray! Give! Study! Respond!

At the end of the service we will sing an invitation song—if you want to make a decision for Christ, you can come forward during the singing of the invitation song and make your decision known to all. We can baptize you into Christ if that is your need—you can place your membership—we can pray with you—we can share in your praise! Whatever your need may be, we are here to help. The minister will stick around after the service, so if you want to discuss anything, or have questions about Murdock Christian Church or what you need to do to become a Christian—just ask!

INFORMATION FOR OUR GUESTS

Welcome to our services!

We ask you to sign our guest book today, and fill out a silent fellowship card and place it in the offering plate.

We share communion each Sunday here at Murdock Christian Church. The unleavened bread reminds us of Jesus' body and the grape juice reminds us of the blood Jesus shed for our sins. All believers are invited to partake. All are invited to come to the front and serve yourself during the communion time.

There are offering trays at the front and back of the auditorium. You can place your offering in the tray before leaving church. Thanks and God bless!

When the Storm Waters Rise!

In this study we are going to look at some of the problems identified in the Bible—especially those that relate to water—and see how they might relate to us today. Isaiah 43:2 assures us: "When you pass through deep waters, I will be with you; your troubles will not overwhelm you."

"Waves of Despair"

Today's text: Exodus 14:10-14

In a world of despair, today's text gives us hope of deliverance!
