

WELCOME TO MURDOCK CHRISTIAN CHURCH

November 12, 2023

Worship with us! You are encouraged to participate in worship today. Remember that God is the audience and we are the participants. The worship service is designed to help you to do just that—worship. So sing! Meditate! Pray! Give! Study! Respond!

At the end of the service we will sing an invitation song—if you want to make a decision for Christ, you can come forward during the singing of the invitation song and make your decision known to all. We can baptize you into Christ if that is your need—you can place your membership—we can pray with you—we can share in your praise! Whatever your need may be, we are here to help. The minister will stick around after the service, so if you want to discuss anything, or have questions about Murdock Christian Church or what you need to do to become a Christian—just ask!

INFORMATION FOR OUR GUESTS

Welcome to our services!

We ask you to sign our guest book today, and fill out a silent fellowship card and place it in the offering plate.

We share communion each Sunday here at Murdock Christian Church. The unleavened bread reminds us of Jesus' body and the grape juice reminds us of the blood Jesus shed for our sins. All believers are invited to partake. All are invited to come to the front and serve yourself during the communion time.

There are offering trays at the front and back of the auditorium. You can place your offering in the tray before leaving church. Thanks and God bless!

Close Encounters with Jesus

In this study we are going to travel through the gospel of John and take a closer look at the people who encountered Jesus one on one – and see what difference that can make in our lives!

“JUDAS”

Today's text: John 13:18-30

Today we consider a dark topic: SIN. Specifically the sin of betrayal. Let's consider three observations for this text:

I. THE _____ OF JESUS, (18-21, 26)

A. He _____ about it, (18, 21, 26)

B. He _____ it, (19)

II. THE _____ OF THE DISCIPLES, (22-25)

III. THE _____ OF JUDAS, (27-30)
